ABOUT MARQUIS

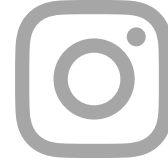

My name is Marquis Neal! I am a 27 year old queer femme living and thriving in Brooklyn, NY.

STORY OF MY BLOG

I was inspired to start my page because I wasn't seeing many people who looked like me on the internet. By providing visibility for mixed race queer boys, I hope to inspire others to do the same. I want my page to serve as a safe space where we can all talk about gender expression, fashion, makeup, and body-positivity.
